is going and what are the prospects. I would also like to visit a country where the PRC has recently moved in to see how the PRC is handling the problem of the Overseas Chinese, relations with the GOP and with anti-American groups.

2. This is my first trip to the Far East since my return to the U.S. 14 months ago. If DDO concurs, I request that appropriate stations be informed and that they in turn inform the U.S. Missions where necessary. I will take care of my own transportation and quarters and need not be met. I would also appreciate a contact point from DDO for each stop.
